

Transforming the federal government requires new ways of navigating uncertainty

*Limited by traditional thinking in an uncertain future?
Think Like a Futurist equips leaders with the foresight crucial to
transform government services to meet the needs of a modern world.*

THINK LIKE A FUTURIST PROGRAM MODULES

**Futures & Foresight
Why & What**

**Putting Foresight Tools
to Work**

**Designing Future
Worlds**

**Living in Future
Worlds**

**From Foresight
to Action**

**Capstone
Project**

AUDIENCE

- ◊ Federal Executives
- ◊ Federal Emerging Leaders

OUTCOMES

**Leaders who can think with a
future-first mindset to:**

- ◊ Anticipate Unintended Consequences (e.g., streamlining ops to manage budget volatility)
- ◊ Navigate Complexity (e.g., cybersecurity training to maximize engagement)
- ◊ Prepare for Volatility (e.g., upskill your workforce)

FORMAT

**Tailored to needs. Sample format
over 6 months is:**

- ◊ 6 in-person sessions (one module every 4-6 weeks)
- ◊ Up to 12 people in a cohort
- ◊ Inter-module "homework"

Why Toffler Associates?

We put the future to work for federal agencies.

27+
YEARS

**Providing Trusted
Foresight Solutions to
Government Leaders**

We empower leaders with foresight and adaptability to navigate complex challenges. Our specialized knowledge in scenario planning and strategic adaptability allows agency leaders to assess decisions across scenarios and create adaptable, mission-aligned strategies.

**Leadership development services
with the future of the workforce at
the core**

Proven Executive Programming Drives Results

- ◊ Provide Think Like a Futurist seminars to NSA, supporting their shift from tactical intelligence to strategic competition
- ◊ Provide one-on-one executive coaching to NOAA OAR leaders to develop skills to drive innovation and transformation
- ◊ Provided leadership coaching to senior officials across agencies like DoD, DHS, and NOAA, building critical leadership competencies
- ◊ Facilitated future of the workforce workshops empowering AFRL leaders to adapt their workforce for agility and success
